*~~ We need every congregation to support this offering. ~~*

With support from local congregations in this conference, we've been able to make a difference in the lives of those with insufficient resources to feed their families.

The agencies who help the hungry and the persons who received the help have benefited immensely from your prayers and gifts of money.

**Last year the amount of grant requests was 8 times greater than the offering amount.**

With the current economic trends, the need continues across this annual conference and we must do all we can to help alleviate hunger in our conference, the nation and the world. Therefore, we hope your church will prayerfully participate in the Harvest Home for World Hunger Offering with your monetary gifts. The greater the gift the more families we can help.
