

Dear brothers and sisters in Christ,

Greetings in the name of our Lord Jesus Christ!

Thank you for your loving, kindness and hospitalities during itineration in USA. It already has been two months since I returned to Mongolia from the United States sharing about God's mission in Mongolia. We were very busy last two months immediately after returning to Mongolia because several short term mission teams came to United Methodist Church in Mongolia to provide much needed support to our ministries.

We're truly thankful for your partnership in the mission work in Mongolia. Thank you to all of you who are providing prayer and financial support not only to Mongolia, but also to the other countries. The summer months from June to August is not as busy because school children are taking summer vacation and many children are visiting their relatives in the country side and the college students are very busy working various jobs to earn their college tuition and living expenses. However, The United Methodist Church leaders are still busy doing different ministries with church members and staffs. They also try their best to establish kingdom of God on the land of Mongolia and to serve communities.

Thank you for your prayer and financial support because we are able to do the following special programs during the summer:

Summer Vacation Bible School (VBS) at Khonkhor UMC. This church had a month VBS with volunteers. It was great ministry. Munkhnaraa as leader is very active and enthusiastic and prayerful person. We were able to have a very blessed three-week VBS at the Chingeltei UMC from June 14 until July 1 largely due to a great volunteer turn-out. Additionally, we were able to have VBS at the Yeruu UMC from July 25 to July 28. It takes 4 hours by

Munkhnaraa bus from Ulaanbaatar to Darkhan and it takes 2 hours by microbus from Darkhan to Yeruu. After finishing VBS teachers were very busy doing home visitations and street evangelism from 5 pm to 6 pm and held the "Revival Worship" for the adults starting at 8 pm. We pray that all these planted seeds will be harvested according God's providence and time.

We had "Discipleship Training Program" for youth for 10days from August 1 to August 12th. The training was done for three churches, Chingeltei, Takhilt, and Bolag UMC. We concentrated on having daily devotion in reading, sharing and mediating on God's words and praying. We were truly blessed by several missionaries who shared God's words and their testimonies. We pray that these youth will continue to spiritual grow and used by God to spread the Good News to their fellow Mongolians and throughout the world.

We are thankful that the Detention Center Ministry, Senior citizen's Ministry and the Homeless/Street Ministry(Bread Mission) by lay person. We will continue to serve these ministries to transform their lives by the Word of God.

Not everything is well here. The Chingeltei district office gave an order to stop the church-run "kindergarten" at Chingeltei church. As you know, one of our ministries Day Care Center Programs evolved to the establishment and running of kindergarten from the church. The district office advised us that church cannot operate Kindergarten from the church facilities. Although we explained to the district officials that church opened and operated kindergarten to support and

provide services to the working parents because there was no kindergarten for the children in the area but the district officials said only way for us to continue to operate kindergarten is to run it from another facility and building, not from the church. Because of this, we had to stop the kindergarten on May 31. We are uncertain what we can do from now until September 1 when the school starts. However, we are praying and confident that God will provide in most amazing ways.

Here are our prayer topics:

- The Good News will continue to be shared in Mongolia and more Mongolians will come to know the Lord.
- The successful registration of the Khonkhor UMC as we have applied for a license.
- To be complete Kairos Community Center and Blessed Life church's construction
- To open and operate the kindergarten again
- To focus on the discipleship training such as children, youth, young adults and adults
- To plant churches in the city and countryside
- To have more workers in Mongolia – harvest is plentiful but workers are few

I pray that our Heavenly Father will continue to pour His grace upon you and your families and churches so that we many continue to do God's work.

Peace, grace and Joy,
Sun Lae Kim
