

TORNADO RECOVERY SUPPORT

There are opportunities to financially support tornado recovery efforts as well as send volunteers to the Kentucky and Tennessee-Western Kentucky Annual Conferences.

Tennessee-Western Kentucky Conference

- Long Term Recovery efforts are being planned through the Fall of 2022 and volunteer teams that are interested in helping should register their interest at [VOLUNTEER FORM](#).
- If you want to send supplies, contact them at [SENDING SUPPLIES FORM](#)
- Financial giving can be accomplished by clicking [Donate to Disaster Response Fund](#) or, mailing a check to Tennessee-Western Kentucky Conference, PO Box 440132, Nashville, TN 37244. (Please note Disaster Response in the memo line.)

Kentucky Conference

- Currently, the Kentucky Annual Conference is only accepting teams that are ERT led, with a ratio of 1:1 (1 ERT trained* to 1 non-ERT).
 - When long term recovery efforts begin, more information will be shared.
- Financial giving can be accomplished by mailing a check made out to Conference Treasurer to Kentucky Annual Conference, Attn: Treasurer, 7400 Floydsburg Road, Crestwood, KY 40014. (Please note KY Disaster Response #200902 in the memo line.)

Please remember, if you do decide to send volunteers, have them contact Doug Hoy (drc@susumc.org) or Michelle Schwartzman (vim@susumc.org) to register the mission trip, fill out a roster, and receive the insurance paperwork.

**The Susquehanna Conference currently has three individuals ERT trained. ERT training courses (virtual) are being scheduled and dates will be published.*
