*~~ We need every congregation to give support to this offering. ~~*

With support from local congregations in this conference, we've been able to make a difference in the lives of those with insufficient resources to feed their families.

The agencies who help the hungry and the persons who received the help have benefited immensely from your prayers and gifts of money.

With this year's increased inflation, the need has increased across this annual conference. Local congregations can help alleviate hunger in our conference, the nation and the world by prayerfully participating in the **Harvest Home** for **World Hunger Offering**.

Your monetary gifts will assist hunger programs in continuing to meet the food needs of struggling individuals and families in their communities. The greater the gift the more families we can help.

- There are no offering envelopes for this offering. Be creative in how you gather the offering, such as taking a Love offering with an offering plate carved out of a loaf of bread.
- Please share the grant application for the 2022 offering with any agency or project in your community that addresses hunger needs and would benefit from a grant. An agency or project that has previously received funding, needs apply each year to receive a grant each year.
- A copy of the grant application can be downloaded from the conference website and can be found in the Ministry Resource Packet. [www.susumc.org](http://www.susumc.org)
