

United Methodist Committee On Relief

WE NEED YOUR HELP!

Approximately 3,000 cleaning kits were delivered to Kentucky and the current inventory of kits needs replenished. With the recent hurricanes affecting Puerto Rico, Florida, and the east coast, additional relief kits are needed.

Consider supporting this critical need by organizing a relief supply kit assembly event in time for your Church/Charge Conference.

- 1. Select a Kit (cleaning or menstrual hygiene)**
- 2. Collect Donations of Supplies and Buckets**
- 3. Assemble Kits**
- 4. Arrange for Delivery to Mission Central or local HUB**

For instructions and kit contents, click here:
