25% will go to international projects through UMCOR

34 Hunger Programs and Agencies *within* the conference boundaries requested grants from the 2022 Offering and 9 National and International UMCOR Projects received funds.

The Harvest Home for World Hunger Grants support backpack projects, community dinners, take-out meals, and food pantries

With support from local congregations in this conference, we've been able to make a difference in the lives of those in our communities with insufficient resources to feed their families.

The people who received the help have benefited immensely from your prayers and gifts of money and the hunger ministries who serve them have benefitted as well.

By prayerfully participating in the Harvest Home for World Hunger Offering, your congregation can help alleviate hunger in our conference, the nation and the world. Your monetary gifts will assist hunger programs in continuing to meet the food needs of struggling individuals and families in their communities.

Together we can do more ~ The greater the gift the more families we can help.

- There are no offering envelopes for this offering. Be creative in how you gather the offering, such as taking a Love offering with an offering plate carved out of a loaf of bread.
- A list of recipients who received a grant from the 2022 offering is on the next page.

Each United Methodist Church can have its treasurer remit the offering on the "Treasurer's Remittance Report Form" **under C: Special Day Offerings – line 6 (Harvest Home Offering for World Hunger).**
